

You will want to take Exit 68 off I 5. When you get off the freeway head WEST. You will go by a Texaco Station. When you come to the 4 way intersection you will want to take a left onto North Military Road. You will be heading South. Go for approximately 1 mile ( I am really bad on distances) and there will be a road on your right called Antrim Road. Take this road. It is approx 2 or 3 miles to the Grange (again I am really bad at distances) You are heading West. The address of the Hope Grange is 120 Antrim Road. If you come to an old wooden railroad trestle you have come to far. The Grange will be on your left. I am sure you wont miss it.

The phone number to the Grange is 360-785-3197 in the event you get lost.
